

YOUTH questioning the term HYBRID,

Youth and Adults FROM D'Atelier, a non-profit organization, founded by Alp Oral Gani, using the arts in education, to question daily matters, D-Atelier is working with women, youth, artists... The D-Atelier was founded in 1999 to gather creative individuals of all ages under one roof.

1.)

Name & Surname: Zeren YAZIRLI

Age: 17

Sex: Female

Subject: Orange is Hybridized Color

Material: Video Art

Defination of Work:

Color of the world changing day by day and we walk to a beautiful life.

2.)

Name & Surname: Alpay CESUR

Age: 17

Sex: Male

Subject: Hybridized Language

Material: Papier Mache

Size: 5 6x6x6cm Box

Defination of Work:

We understand each other by languages. Different language different alphabets. Is it possible to create hybrid language, hybrid alphabet? I took one main word which is essential: food and play the word in 6 languages. Create new hybrid language. Many variations for food.

3.)

Name & Surname: Ilgın İŞGÖR
Age: 15
Sex: Female
Subject: Hybrid Mankind
Material: Collage+Pastel
Size: 105x50cm (3 pieces)

Defination of Work:

Today's tecnolgy is helping life to make much easier. We replace our losing organs by bionic organs. Leg, arm....what' next? Bells are ringing. Bells for bionic generation.

4.)

Name & Surname: Nehir GÜLSEN
Age: 17
Sex: Female
Subject: Hybrid Cultures
Material: Collage
Size: 35x50cm

Defination of Work:

World is getting smaller day by day. Transportation is easy. When you sit in front of your computer all world is in front of you. Our all life is mix to eachother. New hybrid culture is borning. Motif belongs to our culture is mixing to another culture. Welcome to hybrid cultures!

5.)

Name & Surname: Beren KADIOĞLU
Age: 15
Sex: Female
Subject: Hybrid Religions
Material: Pastel on Paper
Size: 85x85cm (4 pieces)

Defination of Work:

From early times to today societies believed their neighbour societies' gods and godnesses. They created hybrid gods...Is it possible to create hybrid gods in today's world and live in peace?

6.)

Name & Surname: Çağla BERBEROĞLU

Age: 15

Sex: Female

Subject: Hybrid Stories

Material: Color Pen on Paper

Size: 65x 60cm (4 Pieces)

Defination of Work:

Snow White, Tarzan, Batman and the others. Another world in cartoon. If cartoon chracters from different stories meet in one strip, what will be happen? Snow White fall in love with Spiderman?

7.)

Name & Surname: Zeynep AKIN

Age: 17

Sex: Female

Subject: Hybrid Communication

Material: Colorpen on Paper

Size: 30x25cm

Defination of Work:

English, French, Hebrew, Turkish... Forget all languages we understand each other by symbols. Hybrid language will be emojis. Lets create our new emoji park together and join eachother.

8.)

Name & Surname: Damla ÜRÜN

Age: 17

Sex: Female

Subject: Hybrid Clothing

Material: Mixed

Defination of Work:

Hybrid weather conditions are one of our major problem today. Suddenly seen Hurricanes, heavy rains... This week opened journal and meet news that 20 years old girls lost her life with sudden hurricane. She wanted to photograph the weather and find herself in water. If we design new fashion up to new weather conditions can we save lives? A new design for a cloth: Cape will be turn to life jacket....

Busenin annesi kendine geldi: İlk sorusu bu oldu

Antalya'nın Kemer ilçesinde dün hortumun Ağva Deresi'ne savurduğu otomobildeki Kader Buse Acar'ın annesi kendine geldi. Uçan otomobilden kurtularak, çevredekilerin yardımıyla kıyıya çıkan Ayla Akın'ın ilk sözü "Kızım bulundu mu?" oldu. Öte yandan arama çalışmalarını devam ederken, bazı dalgıçlar, fenalık geçirdi.

Antalyalı'daki hortumda kaybolan Buse ve hastanede tedavi gören annesi.

Antalyada hortumda uçan otomobilde 1 kayıp

Buse Acar'ın içinde bulunduğu otomobil, sürüklendiği dereden çıkartıldı. Araçtaki ağır hasar dikkat çekti.

GENÇ KIZ DEREDE KAYBOLDU

Kemer'de denizde oluşan hortum ise Kuzdere Mahallesi'ne doğru ilerledi. Hortum burada park halinde bulunan bir otomobili havalandırarak, yakındaki Ağva Deresi'ne uçurdu. Araçtaki Ayla Akın kendi imkanlarıyla kıyıya çıkmayı başardı. Yaklaşık 5 metreden suya düşen araçta kızı Buse Acar'ın bulunduğunu söyleyen Akın, sağlık ekipleri tarafından hastaneye götürüldü. Bölgeye sevk edilen ekipler, otomobili dereden çıkarttı ancak Acar'ın izine rastlayamadı.

Konyaaltı sahilini dev dalgalar dövdü.

KAMPTA MAHSUR KALANLAR KURTARILDI

Kemer'de, 20 Ocak'ta kamp için gelen 42 ODTÜ öğrencisi, Soğutması mevkinde şiddetli yağmur ve fırtına nedeniyle mahsur kaldı. Jandarmayı arayan öğrenciler, yardım istedi. İhbar üzerine İlçe Jandarma Komutanı Yüzbaşı Ramazan Ergel ve ekibi, ilçedeki off-road kulübü üyelerinin yardımıyla öğrencileri kurtardı.

Güçlü hortum evlerin duvarlarını bile yıktı.

FABRIC TYPES FOR HYBRID WEATHER

- bubbles (pustule)
for the inner side of the
mechanism
